

Anti-theft pins for PAMREX / VIATOP 600 and 700 / VIATOP 2 manhole cover

- A kit of 20 pins, intended to prevent the extraction of the cover from its frame, is available in option.
- Two metal pins located on the hinge prevent any extraction of the cover of its frame.
- This system preserves all the functionalities of the product (guiding and 90°blocking function).
- After installation, the pins can not be grasped with a tool, type grip.

Note: This system is irreversible
