

PRODUCT DATASHEET

RECOMMENDED FOR USE IN:

Pedestrian areas where a concave grating profile is required within surface water drainage channels.

The Aquaflo range of gratings features a single piece captive hinge grating making maintenance and cleaning operations easier and also prevents theft of the product.

HEALTH & SAFETY

To help reduce work-related injuries, an ergonomic hinged design makes opening simpler, easier and safer

SECURITY

A captive hinged grating offers improved anti-theft and security capabilities

ACCREDITATION

Third party certified and kite marked to the requirements of BS EN 124

PERFORMANCE

The unit is non rock and silent in operation and is suitable for areas occasionally accessed by light traffic
