Material and coating:

- Frame and cover in Ductile Iron EN GJS 400-15: water base coating
- [Ring in elastomer](#)

Field of application:

- Class E600 suitable for use in areas where heavy wheel loads are imposed such as loading areas, docks or aircraft pavements.

Origine France Garantie

- This product is made in France in our foundry in Blénod-les-Pont-A-Mousson (54), and is certified Origine France Garantie. This guarantees consumers that the product is made in France in accordance with specifications available on originefrancegarantie.fr. The certification number is: BVCert 6026906.
- “Origine France Garantie certification is awarded by an independent certification body. Checks are then carried out every year to ensure that the product is indeed 100% made in France and that at least 50% of the product's manufacturing costs (including raw materials) are of French origin”.

Main characteristics:

- [Hinged cover and ergonomic handling box](#)
- Interchangeable covers
- Frame fitted for optimized bedding
- Opens to 130°, blocks at 90° when closing
- [Identification of the versions](#)
- [Operating Key C24](#)

Security

- [Anti-theft pins C66](#)
- [Quarter turn locking system](#)
