BRITON E600

RECOMMENDED FOR USE IN:

Trunk roads carrying continuous heavy fast moving traffic and industrial areas subject to heavy wheel loads such as docks and container areas. The Briton range of E600 access covers combines a proven double triangular cover design with enhanced frame durability features that offers long term performance in a variety of heavy duty applications.

PERFORMANCE E600

Three point suspension ensures non-rock and silent in operation performance.

DURABILITY

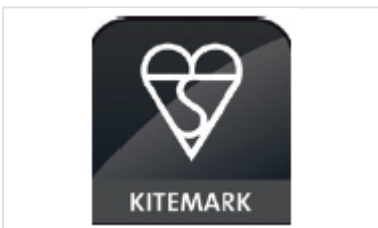

Includes the Load Transfer System (LTS) for optimum installation and product durability.

ROAD SAFETY >70 PSRV

Multi- directional raised chequer design with independently verified skid & slip resistance values.

ACCREDITATION

Third party certified by BSI and kite marked to the requirements of BS EN 124. Compliant to the requirements of Highways England advice note HA104/09
